Divisions with **three competitors** will be run *round robin* with the placing's decided on the number of wins achieved. If each competitor has one win each then placing's will be decided on total points scored or flags given for kata. If there is still a tie then another round will be performed.

Divisions with **four competitors** will have a match between the two competitors who have not won a match to decide on one third place.

Divisions with **five to eight competitors** will have one third place using the repechage system to decide.

Divisions with **Nine or more** competitors will use *repechage* to decide the third-equal placing's.

For Karate, *repechage* involves the competitors who were beaten by a finalist playing-off to decide the third-equal placing's.

This means that all medal winners, except possibly for third-place in a *round-robin* division, will have won at least one match.

### Coaches

As per WKF rules, follow the code of behaviour and the *dress code*. Only one coach on the mat at a time, only official coaches on the mat and in the warm up area. The Style/Country may assign 1 coach for every 4 competitors.
